BUTTERFLY TRAINING

ESD Training

Understanding Electrostatic Discharge Training

ESD-1

Description

Understanding Electrostatic Discharge Training

Duration: 1 hour

Objectives: To provide an overview and understanding of electrostatic discharge what it means, why an organization needs to train its employees on protocols for handling ESD items and what they can do to promote product preservation and prevention of damage.

Target Group: Distributors

Exam conditions

Final Test: All trainees need to pass a final exam in order to complete the security course.The minimum pass grade is 80%. If a trainee fails for the first time, he/she will be given a second attempt at the exam. If a trainee fails twice, he/she will have to retake the entire course.
