BUTTERFLY TRAINING

Module 2: How are aircraft and parts qualified to fly?

Module 2: How are aircraft and parts qualified to fly?

ASA-M2

Description

Module 2: How are aircraft and parts qualified to fly?

Duration: 30 minutes

Objectives: At the end of this training session, you should be able to:
- Understand how aircraft are qualified
- Understand how parts are qualified
- Know more about standard parts
- Understand how Government/Military aircraft and parts are qualified

Target Group: People working in Aviation environment and needing background on parts and aircraft qualification as part of their daily activity (receiving/shipping inspectors, …)

Exam conditions

All trainees need to pass a final exam in order to complete the course. The minimum pass grade is 80%. If a trainee fails for the first time, he/she will be given a second attempt at the exam. If a trainee fails twice, he/she will have to retake the entire course.
