BUTTERFLY TRAINING

Module 3: Aircraft parts documentation

Module 3: Aircraft parts documentation

ASA-M3

Description

Module 3: Aircraft parts documentation

Duration: 30 minutes

Objectives: At the end of this training session, you should be able to:
- Understand the difference between Documentation and Trace
- Know more about Typical Airworthiness Release Documentation (FAA 3081-3, EASA Form 1, Dual Releases)
- Know more about Tear-Down/Disassembly Documents
- Know more about Calibration Documentation

Target Group: People working in Aviation environment and needing background on parts and aircraft qualification as part of their daily activity (receiving/shipping inspectors, …)

Exam conditions

All trainees need to pass a final exam in order to complete the course. The minimum pass grade is 80%. If a trainee fails for the first time, he/she will be given a second attempt at the exam. If a trainee fails twice, he/she will have to retake the entire course.
