BUTTERFLY TRAINING

Active Shooter Training

Active Shooter Training

ACTIVE-SHOOTER-US-EN

Description

Active Shooter Training

Active shooter and Mass shooting is really a problem in United States. An active shooter is an individual actively engaged in killing or attempting to kill people in a confined and populated area. Active shooter situations are often over within 10 to 15 minutes. You must be prepared to deal with an active shooter situation before law enforcement arrives on the scene. In this course, we will explain the good practices for coping with an active shooter.

Duration: 15 min.

Program:
- What is the profile of an active shooter.
- What are the behavioral indicators.
- How to react if this situation occurs.
- In the last resort, how to act against the shooter.
- How to Respond When Law Enforcement Arrive?

Target Group: all airport employees.
